THANKS

Funding for Spectropia is due in part to the generous support of:

The Rockefeller Foundation

The Daniel Langlois Foundation

The National Endowment for the Arts

The New York State Council on the Arts

The New York Foundation for the Arts

The Greenwall Foundation

The LEF Foundation

The Institute for Studies in the Arts at Arizona State University
interactive prototype development

Artech and Performing Arts Laboratories, London,
script development

Thanks to the Banff Centre for the Arts, Alberta, Canada,
for development assistance

Thanks to the Lower Manhattan Cultural Council:

Fiscal Agent for Spectropia

Thanks to Eric and Marilyn Brill and Glen Leiner
for the use of the Richard Mandel House, Bedford Hills, NY,
designed by Richard Durell Stone
with interiors and furniture by Donald Deskey, 1934.

Thanks to Creative Time, Inc. for the use of
the Brooklyn Bridge Anchorage

Thanks to Perry Hoberman for the use of his interactive
computer monitor installation in Spectropia's studio. We
liked the sound it made too.

Thanks to the Mayors Office of Film and Video
and to the City of New York for assistance on sites
inside and outside around lower Manhattan.

Thanks to Cycling '74 for Max, MSP Objects and Jitter,
for early versions and bug hunts and moral support

A special thanks to Xeno Lights for making things
look better than we could afford

Thanks to Lili Chin and the Voom Lab

Thanks to Disrespectacles for eyeglass frames

Thanks::

Michael Barrow, Bob Carpenter and Mitzi Morris,
Maureen Connor, Chris Doyle, Janene Higgins, Tim Houlihan,
Sandy Imhoff, Stephen Kaplin, Eileen Newman,
Marian Masone at the Film Society of Lincoln Center, Susan Morris,
Susie Page, The Prelinger Archives, Gary Sharfin at Private Idaho,
Elliott Sharp, Leslie Thornton, David Zicarelli, Ellen Zweig
